Thank you for your interest in K.A.R.E. for Kane 2012, a project of the Kane Area Revitalization Enterprise (K.A.R.E.) and the Kane Area Development Center! As a volunteer, you will be joining groups of residents, local church members, students from the Kane Area School District, employees from local businesses and community organizations to complete a variety of projects around Kane that will benefit our community by beautifying and restoring Kane's public spaces, something we all use and enjoy on a regular basis.

K.A.R.E. for Kane will take place on Friday, May 11<sup>th</sup> from 9:00AM-7:00PM. The day is planned to accommodate people with varying schedules—Each individual or group will be able to contribute as much time as s/he is able. The intentions of this day are to raise the spirits of community members, showing citizens all that can be accomplished in just one day when people come together.

You may register individually or as a group. Please indicate your preference on the attached registration form.

Check-in for the event will be in the Kane Area Community Center (46 Fraley Street), where you will receive a t-shirt, meet other members of your team and receive all necessary materials to complete your group's assigned project. The Community Center will serve as headquarters for the day and will be accessible to all participants for breakfast, the K.A.R.E. for Kane Celebration Lunch and light refreshments throughout the day.

Please submit your completed registration form to the Kane Area Development Center no later than Friday, March 30, 2012 via:
